Meet Registration: Coaches must log onto www.episports.com to enter their athletes. Each school will be allowed TWO entries for each event and marks must be 2020 and NOT best all-time marks. The number of races to be contested in each event is stated on the order of events. See field events for starting heights and measurable marks. Please make sure 2020 seasonal best marks are posted on **Athletic.net** for an athlete to be considered for the fastest heat.

Wild Card Entries:

Each team will have at most two boys varsity and two girls varsity wild card entries for the meet. A team must first enter two athletes into a specific event and then may also use a wild card entry to enter other athletes into the same event **given the third or fourth athletes are in the counties top 15 athletes in that specific event.** School's entering wild card athletes must first have the two varsity athletes verified and accepted into the event. All wild card entries must be verifiable to be accepted. Please use the Mark & Note box on www.episports.com for varsity and wild card athletes to be accepted into the meet and event. **Make sure you report marks to Athletic.net to be verified.**

Add Cards: Adds are treated as new entries and coaches must pay \$10 per individual event and \$40 per relay event for an Add Card at the Coaches check-in, if space is available. **No school should have more than two athletes in an event unless the third or fourth athlete qualifies as a wild-card entry.** If a third athlete is added by a school and is not a qualified wild-card entry, they will be disqualified. Add Cards are presented at the Clerk of the Course or to the field event official.

Unified Track 100m: New for this year we are proud to offer a Unified Track 100m for both boys and girls. Unified Track and Field is a collaboration between general education and special education athletes who contest an event and the average of their marks compete against other athletes in the event. We will have two heats per gender and pairs will be selected with the goal of having as many schools represented in the meet as possible. For the purposes of Unified Track, Special Education athletes are defined by students who have a current Individualized Educational Plan (IEP). The general education athlete will be an athlete from your school who preferably did not qualify for OCC in any event. We are hosting this event at OCC to raise awareness of and participation in Unified Track and Field in preparation for this year's [CIF-SS Unified Track and Field Championships on May 16th at Trabuco Hills High School](#). For more information about the Unified Track events please email Matt Rainwater at rainwaterm@svusd.org.

Clerk of the Course: All runners must check in with the Clerk of the Course 15 mins prior to their event. Athletes who do not check in will be disqualified. The Clerk of the Course will be located on the warm-up area across from the West end of the track. Relay teams may check in with only one athlete; however it is the responsibility of the coach and relay athletes to be on the track for the correct race and compete in the correct lane or they will be disqualified. **If an athlete or relay team runs in the wrong race or wrong lane they will be disqualified.**

Relay Batons: Relay teams must bring their own batons.

Athletes who are not competing are to stay off the infield and out of the competition areas during the entire meet. Cell phones and electronic equipment are not allowed in the competition areas.

Trainer: We will have a trainer available for injured athletes only. Each school is asked to supply their own First Aid and training supplies.

Seating: A few canopies will be allowed on the press box side AT THE TOP of the southeast seating section only, the remainder of the canopies must be at the top on the West bleachers or in the warm-up area. Parents and spectators are to sit at the finish line on the East bleachers.

T-Shirts: A limited number of T-Shirts will be on sale for \$12.

Patches: Orange County Championship Patches will be sold at the meet for \$15.

Admission prices: Adults \$10, Students without ASB card and Seniors \$5, Students with an ASB card \$3. Children under 10 years of age \$2. CIF cards will be honored at this meet.
